

Alexa Green

Alexa Green, a 2017-2021 recipient of the R.W. Sorrell Scholarship Fund, will “always be grateful for the support received from the RW Sorrell village.” The Scholarship through its partnership with Independence Blue Cross (IBX) offered her the opportunity to participate in a summer internship program throughout her time in college.

In May 2021, Alexa graduated from **Xavier University** in New Orleans, Louisiana, with a Bachelor of Arts Degree in Mass Communication with a minor in Political Science. She excelled academically and participated in many volunteer activities in College. Additionally, she served as Residence Hall Assistance for the girl’s freshman dorm, president of the Beta Delta Chapter of Zeta Phi Beta Sorority, Inc., and member of the National Society of Leadership and Success. Alexa participated in the Disney College program, and studied abroad in Martinique during her Junior year. Alexa also worked as a campus rep for TikTok and grew to love the platform she used to inform, advocate, and entertain her followers.

Alexa credits her internships with former Councilwoman-at-Large Blondell Reynolds Brown, State Representative Chris Rabb and the many people at IBX as experiences that helped her achieve success in college. She is thankful for the job shadowing opportunities and exposure to her chosen field through these experiences.

Presently, Alexa is taking a gap year in Europe, residing with her mother, who works for the Department of Defense Shools In England. Alexa is using this opportunity to travel Europe and to work on her portfolio. Two different newspapers in Ireland contacted Alexa when she had a Tik Tok that went viral during a visit to Ireland.

Alexa believes that her internships experience and traveling will make her a better candidate for the workforce next year. In addition, she is gaining an appreciation of other cultures and a greater understanding of the world. ■
