

Darren Laws Jr.

Darren Laws Jr., a 2017 - 2021 recipient of the R.W. Sorrell Scholarship Fund graduated from **Widener University** on May 14, 2021 with a Bachelor of Science degree in Business Administration in Marketing.

During his journey at Widener, Darren took the advice of his principal. He stayed involved, made good grades and made the best of the opportunities presented to him.

Darren served in a leadership capacity on-campus as well as in the broader community of Chester where the school is located. Examples of on-campus leadership included facilitating pre-orientation to incoming freshmen to introduce them to the campus and its resources, participated in the marching band, served as a mentor in Widener's Pride Mentoring Program, and as President of Black Men United. Music is an integral part of Darren's life. He plays the saxophone and has done so since a young age. Darren has always used music to connect with others and forge relationships. Darren enjoyed his internship of four years at Independence Blue Cross (IBC) and is "grateful for the experiential learning opportunity, the interpersonal connections made and the exposure received from working at such a large and well established corporation." Darren is currently working at the Children's Hospital of Philadelphia as the Program Coordinator for the COVID Vaccination Program. ■
