

## Caleb K. High

Caleb K. High, a graduating senior from Roman Catholic High School with an outstanding 5.04 GPA is the recipient of a \$1,500 Book Scholarship from the R.W. Sorrell Scholarship Fund. Caleb has been accepted to The Bonner School of Business at **Morehouse College** in Atlanta, Georgia where he will pursue a B.S. Degree in Business Management.

Caleb has been described as a distinguished, young man with grit and determination who is no stranger to helping others. He has a strong affinity towards giving back to under served communities particularly in the areas of health care and families in need of housing. He hopes to use his business degree to develop programs that will provide shelter and increased access to health care to under served individuals and families. Caleb has also been described as a young man with great soft skills in collaborating with others, communicates with ease, is open to learning, adapts easily to new situations and is able to problem solve, teach and model this behavior to youth he mentors. One of his references states that his patience and perseverance pays off for students he has been committed to tutoring over the summer to prevent the summer slide.

While attending Roman Catholic High School, Caleb was a member of the National Honor Society, a member of the highly ranked Roman Catholic High School Basketball Team, and has found joy in coaching a youth basketball team at the YMCA. He is a member of the Youth Ministry at Enon Tabernacle Baptist Church where he has served in many capacities. He plays golf and entertains the piano. He also works at Starbucks as a Barista.

We congratulate Caleb for his academic success, extra-curricula accomplishments and desire to serve others. ■
