

2025 YEAR-END UPDATE and *Holiday Appeal*

Season's Greetings,

Serving as President of the R.W. Sorrell Scholarship Fund is both humbling and challenging, but I am always reminded of how much is possible when individuals and corporations join together in support of our mission. Your support continues to make a significant difference in the struggle to help students pay for a higher education.

As year 2025 comes to a close, we extend our best wishes to you and your family for a blessed, peaceful, and joyous holiday season. Because so much of what we do depends on the support of our generous donors, we hope that during this charitable giving season, you will consider the RW Sorrell Scholarship Fund as an option to make a year-end tax-deductible contribution.

The R.W. Sorrell Scholarship Fund was established to promote and support higher educational goals for minority students residing in Philadelphia, Bucks, Chester, Delaware and Montgomery counties. We are a 501(c)(3) nonprofit tax-exempt organization under the Internal Revenue Code. Currently we support eight students at institutions of higher learning who were awarded four-year renewable scholarships at \$5,000 annually. Please visit our **Instagram Page** to read about some of these remarkable students and the real-life impact of your contributions.

In 2025, we awarded \$46,000 in scholarships. Since 2012 when we awarded our first scholarship, the Scholarship Fund has awarded close to \$350,000 in scholarships to help defray tuition, room and board, fees and book expenses. Our ability to do so lies in the continuous development of our network, a determined spirit and your support. We believe that when we invest in a student's education, we invest in the future.

We have enclosed our **Pledge Form** for your convenience or you may prefer to make your contribution through the PayPal link on our website. We invite you to visit our website at **www.rwsscholarship.org** to learn more about our activities. If you have questions, please contact us at 215-517-5746 or email us at rwsorrell@aol.com.

Best Wishes for a Safe Holiday Season and a Happy New Year!

With Gratitude,

Alma Jean Taylor
President
